ABOUT ME

Nice to meet you! My name is Ashley, I am a designer & artist from Phoenix, Arizona.

I specialize in both mixed media & digital style type art. I have a Masters in Visual Communication Design, in which I was able self publish a children's book on Amazon.

Currently, I am pursuing a independent 1 year artist program through the Milan Art Institute, while I pursue my MFA.. I like to express myself in various mediums and some of my work has been exhibited at ACLAZ in downtown Phoenix..

Along side my photographer husband, My hope is to continue to pursue all outlets art, and to be able to utilize my skills in my community, as to expose underprivileged societies with different art mediums/types through community outreach to fuse art and therapy for all.
